

78 Tarot Keys Worksheet

by Abella Arthur, Wisdom Guide

The **78 Tarot Keys Worksheet** is intended to be used with a *Divine Class Wisdom Guide*; however, it's being offered as a free download from the *Divine Class Web site* so that if you are unable to take a class with us at this time you don't miss out on one of the most important lessons of Tarot -- you.

Tarot is for and by the people. Do not discount your ability to tap into the collective un/conscious, your life and work experience (no matter your age), and your innate brilliance.

Your wisdom is just as important as any other, therefore, we stress the importance of coming up with your own understanding (in particular, keywords) of each card before learning what anyone else has to say. In other words, avoid delving into any Tarot book until you have done your "own" work with the cards.

Through the worksheet below, you will create your own personal relationship with the cards so that you may have a clear and effective start to your Tarot studies. And when you are ready to become a *Divine Class Learner*, we look forward to being graced by your shining star and the **euphoric clicking** you are more than likely to experience.

How to use this free worksheet: I'm going to leave this part to you. Should you decide to sign up to an Initiate class or program, I will review and assist in helping you work through this worksheet. There are some very special techniques that I use (and would not be wise to disclose to non-Divine Class Learners) so that's why I'm encouraging you to use this sheet in any which way it helps. The basic idea is to come up with your own keywords and preferably before you read anyone else's. All the best and look forward to meeting you.
